

Recommended (TB) screening:

It is the **recommendation** of The University of North Carolina Greensboro Student Health Services that students, staff, and faculty returning from countries that are designated by the Center for Disease Control to have high prevalence of Tuberculosis be tested for TB after returning.

For more information about Tuberculosis and Tuberculosis testing, please go to the following website [http:// www.cdc.gov/nchstp/tb/faqs/qa.htm](http://www.cdc.gov/nchstp/tb/faqs/qa.htm).

Countries with high Rates of tuberculosis (TB) ± TB Endemic Countries

Afghanistan	DR Congo	Mali	Sao Tome and Principe
Algeria	Ecuador	Marshall Islands	Saudi Arabia
Angola	El Salvador	Mauritania	Senegal
Argentina	Equatorial Guinea	Mauritius	Seychelles
Armenia	Eritrea	Mexico *	Sierra Leone
Azerbaijan	Ethiopia	Micronesia	Solomon Islands
